

ROSOV pinn 2017

Belgrade, June 1-2

Dear colleagues,

Deadline for submission of abstracts for the Third Regional Roundtable: Refractory, Process industry, Nanotechnology and Nanomedicine "ROSOV pinn 2017" which will be held on June 1-2, 2017 at Student Resort „Radojka Lakić“, Avala, Belgrade, Serbia, has been extended until **May 15th 2017**. A deadline for registration is **May 25th 2017**.

Three best poster presentations will be awarded with 300, 200 and 100 EUR in dinar equivalent at the average exchange rate of the National Bank of Serbia. Only participants younger than 38 years with the registration fee paid, except if they are unemployed PhD or master students, can participate in the competition.

The Commission for awards:

Dr Milenko Plavšić, Faculty of Technology and Metallurgy, Belgrade

Dr Vesna Babić -Ivančić, Institute "Ruđer Bošković", Zagreb

Dr Milorad Tomić, Faculty of Technology, Zvornik

The Organizing Committee has decided to allow **free participation at ROSOV pinn 2017** for ten Master and PhD students from the universities in the Republic of Serbia and the region, with an average grade greater than 8.5. Students interested for refractory, process industry, nanotechnology or nanomedicine should send their applications together with abstracts for poster presentations on e-mail: office@rosov.rs. The final decision on the selection of these ten students will be made by the Scientific Committee of ROSOV pinn 2017 and all applicants will be informed.

More information on the idea and the purpose of participation at ROSOV pinn 2017 can be found on www.rosov.rs
